

Jerry Greer's Engineering - 1953 Chief - Sealed Primary & Transmission Conversion					
Ref	Part #	Qty	U/M	Description	Price
1	JG-2372	1	Kit	SEALED PRIMARY & TRANSMISSION CONVERSION, Upgrade, Kit includes all the required parts plus complete detailed blueprints and instructions for this conversion	\$95.00
2	801025	1		DRIVE SHAFT ROLLER BEARING SPACER, .883" I.D X .244" thick; Bare Finish	\$8.75
3	924014	1		THRUST WASHER, .900" I.D .052" thick, pinion shaft & drive shaft seal	\$5.75
4	762016	1		NEOPRENE SEAL, drive shaft, (See sealed primary and transmission conversion)	\$11.50
5	762017	1		SEAL, oil, clutch sprocket to main shaft	\$7.00
6	247007	1		CLUTCH SPROCKET BUSHING, 1.250" long, must be honed to fit transmission main shaft	\$13.00
7	661013	1		PLUG, 3/4"-24(Slotted), oil hole filler, with breather valve	\$16.00
8	JG-2279	2		PLUG, 9/16", expansion, transmission case oil sealing only	\$2.00
9	39923	2		BALL BEARING, transmission main, sealed on clutch side	\$25.00
10	762018	1		SEAL, oil, transmission case, left side	\$11.00
11	661003	1		PLUG, 3/4"-24(Slotted), oil fill and inspection	\$8.50
12	JG-2484	1		PLUG, 1/8" pipe thread(Hex), oil drain and level check, Magnetic; Cad Plated	\$6.50
13	JG-2569	1		BLUEPRINTS & INSTRUCTIONS, for machining and installation of sealed primary and transmission conversion, No Charge	\$0.00
